ABOUT US

www.osharaglobalexim.com

We are a trusted exporter delivering high-quality dehydrated ingredients worldwide, ensuring reliable supply, strict quality standards, and exceptional customer support.

We supply high-quality, food-safe, and traceable ingredients to global buyers including:

✓ Food processors & repackers

✓ Importers & wholesalers

✓ Seasoning manufacturers

✓ Retail brands (white/private labelling)

✓ HoReCa & industrial buyers

Our Vision

- Deliver globally trusted, consistent-quality food ingredients.
- Become a reliable leader in dehydrated exports.
- Promote sustainable and ethical sourcing practices worldwide.
- Ensure safe, natural products for global consumers.

Our Mission

- To build long-term partnerships with global buyers
- To maintain transparent quality, fair pricing & timely delivery.
- To ensure traceability from farm to finished export.
- To follow 100% ethical sourcing and sustainable practices.

 End-to-End Export Support

We provide a complete range of premium dehydrated food ingredients, including

Dehydrated Vegetables

Our dehydrated vegetables retain natural colour, flavour, and nutrition. Ideal for instant foods, ready-to-cook meals, and large-scale food manufacturing.

Dehydrated Fruits

We supply carefully processed dehydrated fruits with long shelf life and rich natural sweetness perfect for snacks, cereals, bakeries, and beverages.

Herbs & Spices

Premium aromatic herbs and spices dehydrated at low temperatures to preserve essential oils, purity, and flavour for culinary and industrial use.

Herbal Leaves

Naturally dried herbal leaves processed with care to retain aroma, potency, and purity for medicinal, culinary, and wellness applications worldwide.

Premium dehydrated vegetables processed with advanced techniques to preserve natural taste, nutrition, and long shelf life for global markets.
